

## English

We will be learning to read a range of books with fluency and expression. The children will continue to focus upon accuracy when writing, using words banks and sound mats to support their spelling and regular handwriting practice to ensure their writing is well presented. Our English learning will be inspired by 'No Dinner' and 'The Jolly Christmas Postman'. We will be learning how to create story maps to help us when retelling a story and writing our own narratives.

## Maths

We will all be learning about Place Value, Addition, Subtraction and about 2D and 3D Shapes. The children will learn to recognise and read numbers up to 100.

Little Oaks will be focusing on understanding the place value of numbers to 20 and calculating with these numbers. Big Oaks will continue to calculate and solve problems with numbers up to 100.

## Physical Education

In PE we will be taking part in ball skills run by Project Sport on a Monday and learning to become fabulous skippers with Dave in SKIP2BFIT on Fridays.

## Oaks Curriculum Overview

### Personal & Social Development Jigsaw – Celebrating Difference

We will focus on respecting similarities and differences, anti-bullying and being wonderfully unique!

### Art and Computing

We will continue learning about portraits and create digital paintings inspired by David Hockey's digital artwork.

## Autumn 2

Big Question: How Has Life Changed? 

### Music

In 'Maestro and the Christmas Tree' unit, we will be learning to keep a steady beat using our bodies and percussion instruments. We will be practising matching pitch with our voices and using these skills when practising for our fabulous Christmas performance of The Christmas Recipe!

## Science

In Science the children will continue learning about how the human body works. We will observe how the body changes over time and understand the importance of our five senses.

We will also be observing seasonal change over time and understanding how the change of season effects our bodies.

## History

We will begin our History topic by understanding what it means by 'the past' and exploring our special memories. We will learn about Guy Fawkes and Bonfire Night, Remembrance Day and then we will think about how things have changed over the past 100 years. We will explore how homes, clothes and schools have changed.

## Religious Education

In R.E we will build upon our learning about 'special stories' and explore 'Why do people care?' We will look at why people care for others and how we show that we care. We will also learn about Christmas and Diwali.
