Acorns

Acorns have had lots of outdoors fun. We have been roleplaying beaches outside and cooling off in the paddling pool. We have been on woodland walks with Mrs Dear exploring and collecting plants and flowers to make prints. We are going to make bunting with the prints to decorate the secret garden.

We have been having fun acting out the story 'The Lighthouse Keeper's Lunch.' We built a lighthouse and put up a zip wire and the children made Mr Grinling's lunch and sent it along the wire to the lighthouse! Some more children dressed as seagulls and ate the lunch so we had to keep trying to send a picnic the seagulls wouldn't like!

Oaks

In art this half term the children have looked at Sculptures.

They designed and created their own using paper mache. Even though it was a bit slippery at times they persevered to create some great dragon bodies. They then used paint and collage materials to add the finishing touches.

We can't wait until Friday when we go to the sculpture park to see some sculptures made by famous artists!

SUMMER READING CHALLENGE

Safeguarding

PEGI 12

Video games that show violence of a slightly more graphic nature towards fantasy characters or non-realistic violence towards human-like characters would fall in this age category. Sexual innuendo or sexual posturing can be present, while any bad language in this category must be mild.

Nationally, many internet safety agencies are warning parents to be extra vigilant over seemingly fun videos widely circulating on YouTube and TikTok that feature a menacing character with razor-sharp teeth with the seemingly friendly name of 'Huggy Wuggy'.

The character is from a survival horror game called 'Poppy Playtime' which has the effect of leading parents and children to believe the videos are aimed at youngsters and contain no inappropriate material. It even gets to slip by many device parental controls.

The reality is that 'Huggy Wuggy' a blue bear-like creature chases and threatens other characters in nightmarish scenarios, leaving many children upset and frightened.

The Poppy Playtime game is perfectly legal and widely available on the App stores for Apple and Android mobile devices with a PEGI rating of age 12+

Please be vigilant in respect of the content your children are accessing and take appropriate steps to remove or block any harmful content they may be exposed to.

We are hearing many children talk about 'Huggy Wuggy' and 'Poppy Playtime' and beginning to see 'Huggy Wuggy' soft toys in school. Please do not send these toys into school, we cannot allow our young children to be exposed to content that is inappropriate for their age.

Thank you for your support.

Sun Safety

As the weather starts to warm up please bring a hat and water bottle to school - sun cream on ready if needed!

We cannot apply sun cream to the children but we will help them to apply it themselves. If you send a spray or roll on we can 'apply' the lotion to the children, we can then support them by directing them to rub the lotion in.
