9th June 2022

Dear Families,

Woodland Wonders

We are thrilled to be able to offer our KS1 children 'Woodland Wonders' sessions during this half term. We have teamed up with local resident Vanessa Dear who will lead these rich outdoor learning sessions based around the local area. Vanessa is a former Headteacher, Forest School Leader and she has been part of our Stubbings Team this year leading outdoor sessions with Acorns on Friday mornings

Sessions will begin next week and will be part of the usual school day.

Tuesday 14 th June	PM
Tuesday 21 st June	PM
Tuesday 28 th June	PM

The children will need suitable clothes; walking boots or trainers, long sleeved tops and long trousers (even on the rare sunny days!). If it is sunny, they will need sunhats and sun cream (please apply before school or send in and your child will be supported to apply it themselves). If it is rainy, they will need a waterproof coat and if possible waterproof trousers. Shoes and clothing **must** be named.

School will meet the costs of these sessions. Please complete the form below and return it to school by **Monday 13th June**

Thank you.

Lucy Caswell
Executive Headteacher
