*01422 842 728*

**Come along and  
meet new friends  
and play, chat and  
sing!**

# Acorns

Acorns class really enjoyed going on a woodland walk looking for signs of the changing season.

They each collected a brown, orange, green, yellow and red leaf. They later identified oak, beech and maple leaves.

The children were very excited to collect acorns and beech seeds and are keen to plant them. What do you think these seeds will grow into?

We enjoyed making leaf rubbings, autumn crowns, garlands and leaf prints.

What is happening to the leaves on the trees?

Are all leaves green?

How do trees change across the seasons?

Why do squirrels collect acorns?

How do leaves change colour?

# Oaks

Oaks have had a fabulous time on Mondays and Fridays learning new skills during their PE sessions.

On Friday they have learnt how to play in tag Rugby and on Mondays they have learnt how to perform a dance sequence.

Keep an eye on Class Dojo as Mr Boylan filmed their final performance which I will share very soon !
